Scholarship Guidelines

- Separate accounts are established in the District's accounting system for record keeping purposes and monitoring of specific scholarship funds.
- Funds are disbursed per instructions of the donor (by letter) when establishing the scholarship account. A copy of this letter must be sent to the Business Office for filing purposes.
- An employee (position), at the school receiving the scholarship, should be named to take responsibility for the account and be aware of the criteria for selecting recipients each year; normally this will be the principal.
- Each spring, the school will notify the Business Office of the recipient of the scholarship, as selected by the school, using any reasonable criteria established by the donor for selection. The Business Office will issue a check, payable to the recipient and forward it to the school for presentation at the school's annual awards assembly.
- On a semi-annual basis, the scholarship accounts are credited with interest for the balance of the period equal to the District's average rate of interest on the District's Daily Investment Account, currently with First National Bank. Interest is only credited to accounts with balances over \$100.
- Accounts with balances below the annual scholarship amount and without activity for a period of two years will be eliminated and turned over as a donation to the school for general purpose use.

Kewpie.net Scholarship

Hello Kewpie Classmate,

For the last ten years www.kewpie.net has been the source for Kewpie class reunions and "the gathering place" for all Kewpies. Some of you have made a donation to help me with expenses incurred from providing www.kewpie.net, which is a free service for all Kewpies. Also for the last ten years I have made myself available to help and done everything I could to make your class reunion a success. I have heard from hundreds of you who expressed your appreciation for what I have done and I am honored just to have been a part of it all. After much thought I have come up with a way you can show your appreciation of what www.kewpie.net has become by joining me to help make a difference for future Kewpies! I have decided to start "The kewpie.net Scholarship." <http://www.kewpie.net/kewpie.netScholarship.html>

There will be at least two scholarships awarded every year to students based on outstanding service to Hickman High School and or the community. The students also must exemplify the "Kewpie Spirit" and have a desire to preserve the Kewpie spirit after graduation.

The scholarship can be used to offset costs of a technical school, junior college or four year college of the student's choice.

Faculty selection of the recipient will be based on "Outstanding Service." Need should be a consideration of the award but shall not be the sole determining factor.

Recipients of this scholarship should have a desire and willingness to preserve the continuity of their respective class. It would be cool to know the recipients will want be there to provide the guidance to their classmates for reunions in order to keep the "Kewpie Spirit" alive and well for many years beyond graduation! To have the recipients keep in touch with me @ kewpie.net, that would be way Kool!

The webpage is @ <http://www.kewpie.net/kewpie.netScholarship.html>. It will contain the names of all those making donations and a running total of the scholarship. Also if you would like to make your donation in memory of an individual, that too will be on the webpage. **Checks should be written to "Hickman High School"** so your donation will be tax deductible. In the note portion or lower left corner of the check notate the **kewpie.net Scholarship** and the name of the individual, if you choose to make your donation as a memorial. The webpage will also contain an ongoing account of the recipients of this scholarship so you can see what a great thing your donation was for the "Kewpie Spirit!"

Please mail checks to me for proper records keeping and posting to the webpage.

Hickman High School will provide me with a photo and bio of the student(s) selected for the scholarship and they will be posted on the webpage.

My desire is to establish a "fund" that will generate an annual award minimum of two \$1000.00 scholarships per year. One female and one male student shall be chosen annually assuming funding is available to make the awards.

I am really excited about the possibilities of what can come from this with your help! Having heard from so many of you about how much you have appreciated www.kewpie.net over the last ten years, I know I can depend on you to share the excitement and make this an overwhelming success! There are over 4,500 Kewpies who have registered to use www.kewpie.net. It has been and will continue to be a free service from me to you as long as I can make it happen. If half of you who registered made a small \$25 or \$50 donation, wow, that could be \$60,000 to \$120,000! What a great thing we could be doing to preserve the future of the best high school on the planet, the home of the "Kewpie Spirit", David Henry Hickman High School, and our alma mater.

Make check payable to: Hickman High School

Mail your check to:

Charley Blackmore

Interest is only credited to accounts with balances over \$100.
- Accounts with balances below the annual scholarship amount and without activity for a period of two years will be eliminated and turned over as a donation to the school for general purpose use.

THE CHARLEY BLACKMORE CLASS OF 1963 SCHOLARSHIP

The scholarships will be awarded to students on the basis of outstanding service to Hickman High School and or the community.

The scholarship can be used to offset costs of a Technical School, junior College or Four Year College of the student's choice.

Faculty selection of the recipient will be based on "Outstanding Service". Need should be a consideration of the award but shall not be the sole determining factor.

Recipient should be someone "Who understands what it is to be a Kewpie and someone who has been an "example of the Kewpie Spirit".

There will be a webpage @ www.kewpie.net/cbc63scholarship.html. It will contain the names of all those making donations and a running total of the scholarship. Also if you would like to make your donation in memory of a individual, that to will be on the webpage. Checks should be written to "Hickman High School" so your donation will be tax deductible. In the note portion or lower right corner of the check notate the CBC63 Scholarship and the name of the individual, if you choose to make your donation as a memorial.

Please mail checks to Charley for proper records keeping and posting to the webpage.

Hickman will provide a photo and bio of the student(s) selected for the scholarship to Charley and he will post the awardees on the Kewpie web site.

Our goal is to establish a "fund" that will generate an annual award minimum of two \$500.00 scholarships with the restriction on the "fund" that the total amount awarded in any one year shall not exceed 10% of the principal balance of the fund. One female and one male student shall be chosen annually assuming funding is available to make the awards.
