HICKMAN HIGH SCHOOL

Columbia, Missouri

FOREWORD

This handbook is dedicated to you students entering Hickman High School for the first time. It has been published in the hope that it will be a guide in acquainting you not only with the many classrooms and subjects offered, but also with the social functions and activities sponsored by the three classes and the various organizations.

In reading this book you will become familiar with every aspect of the life in Kewpie Kingdom from the first of September until the end of May.

It is our sincere hope that you will benefit from this information by taking advantage of the many opportunities which Hickman offers and which are explained to you in this handbook.

The Publications Class

DR. NEIL C. ASLIN, Superintendent of Schools

MR. BERNARD A. SCHMITZ Principal of Hickman High School

To the New Students of Hickman High School:

I am pleased to welcome you into the comradeship and the privilege of citizenship of Hickman High School. I ask that each of you join in the big effort to make our school year successful.

We believe it a great privilege to belong to a high school with the high standards and traditions that we hold at Hickman. Our standards of scholarship, leadership, and service are high. We ask all students do their part to retain these fine standards.

In any group of individuals numbering 700, it is necessary that each one discipline himself to the extent that his actions do not interfere or encroach upon the rights of others. The fundamentals of democracy are built on this concept, and it is our aim to develop you to be future leaders and citizens of your community. We must have your wholehearted cooperation. I ask that you be loyal to Hickman and show your loyalty by your deeds and attitudes.

It will be my pleasure, with the help of the faculty, to guide you into experiences which you will later recall as the happiest days of your life.

Sincerely yours,

BERNARD A. SCHMITZ Principal

MRS. HELEN D. WILLIAMS

Assistant Principal of Hickman High School

The aim of the administration, the faculty, and the student officers of Hickman High School is to make this institution a true school home for every student. Each of you spends a large number of hours here during the day-hours that must be devoted to development, improvement and growth. Each of you should outline a definite pattern for this growth, and should follow that pattern conscientiously. I urge you to take advantage of every opportunity here at Hickman, to realize that the teachers are your friends and strive constantly to promote the highest aims of our school. If you do, I feel sure you will be able to sing at your graduation as the seniors of 1950 did—

"That's why Hickman's my home What a Kewpie SPIRIT Hickman's my Home, sweet Home!

Sincerely yours,
Helen D. Williams

OUR SCHOOL'S HISTORY

Columbia High School originated in 1895 in the old Jefferson building. In 1909 Columbia High combined with University High and held classes in what is now the Early Apartments. The present Jefferson building was completed in 1911 and served as the Columbia High School until 1927, when the present building was completed. It was at that time that the name of the school was changed to David H. Hickman, honoring David Henry Hickman, one of Columbia's pioneer citizens. He was an important state legislator interested in the promotion of education. He was born in Bourbon County, Kentucky, November 11, 1821. The family moved to Boone County, Missouri, in 1832, settling near Bonne Femme Church.

David Hickman, Jr. was educated at the Bonne Femme Academy. He became active in both church and civic circles, and his educational activities were extensive.

As a member of the state legislature in 1852-53, he drafted the first statute creating a state tax for the support of public schools. At one time he was appointed a curator of the University of Missouri. Stephens and William Jewell Colleges also have cause to remember the generosity and unfailing interest of Mr. Hickman in their endeavors.

David H. Hickman was an example to all as to how they may best use their time and talents. In a quiet and modest way he lent his counsel and expended his energy in those civic, social, and moral agencies which were for the betterment of his fellows and society.

OUR EMBLEM

The term "Kewpie" got its start in a local news-

paper when an injured player was described in this way—"he kept on fighting and smiling like a Kewpie." This indeed is a title to be proud of, and we should honor it always.

OUR COLORS

Purple: This color is symbolic of royalty and indicative of an aristocracy of ideals and

aims. Therefore, we must always strive to make Hickman a place of aristocratic

achievement.

Gold: This color is symbolic of integrity and honesty. So, we are obliged as Kewpies to radiate these qualities whenever and

wherever possible.

OUR SEAL

The school seal is divided into six distinct parts. It has as its foundation a ribbon of support. The letters on this ribbon are: D. H. H. H. S., which stand for David H. Hickman High School. In the lower right corner is the lyre indicating music; to the left of this section are the palette and brush, the emblems of art. In the upper right hand corner rests the lamp of eternal knowledge. Opposite this section to the left, is the wreath of victory which symbolizes not only the physical victory but also the moral victory for which all of us are striving.

Above the emblems of music, art, victory, and knowledge shines the torch of truth and achievement. This torch guides us in unselfishly passing on to others the knowledge we have gained from the various fields mentioned. With this light to guide us we cannot fail, so all of us must do our part to keep

its light bright.

OUR PLEDGE TO OUR FLAG

"I pledge allegiance also to Hickman High School and to the ideals for which it stands. United by ties of fellowship and loyalty, we move forward beneath the purple and gold."

OUR ASSEMBLY RITUAL

- 1. Band Music
- 2. Curtain
- 3. Bugle Call
- 4. Pledge of allegiance to the American flag
- 5. Pledge to the Hickman High School flag
- 6. Singing of the school song "On Sons of Hickman"
- 7. Senior Yell

OUR SCHOOL SONG

On sons of Hickman
Through every year
Praise her and honor her,
And greet her with a cheer,
We'll shout it!
Kewpies are on the march,
Faithful we'll always be,
Purple and Gold we'll carry
to victory

LOCATION OF THE ROOMS

To a new student at Hickman it may seem confusing to find his way around our school and locate the particular rooms, but with a few helpful hints as to the locations of the rooms, he can't go wrong.

First, our school has two floors. The rooms on the first floor all have numbers in the one-hundreds, and those on the second floor are numbered in the two hundreds.

All rooms on the east side of the building, both first and second floors, are numbered with odd numbers; such as 205, 111, 213, etc. All rooms on the west side of the building are numbered in even numbers such as: 106, 214, 212, etc. This is about the most important thing to know when looking for rooms on the first day of school.

The two offices are referred to as the East Office and the West Office. As one comes in the front door at Hickman the first door to his right will take him into the West Office. Here he meets the attendance secretary; and this is the place he obtains absence and tardy excuses, pass slips, sign the check out paper when leaving school, etc.

The first door on the left as one comes in the front door will take him into the East Office where he will first see the principal's secretary. Also a part of the East Office are two separate offices for the Principal and Assistant Principal. This is the place where much of the school's business is carried on.

The auditorium is located in the middle of the school and is easily accessible by doors leading into it from the North hall on both the first and second floors.

The cafeteria is on the east side of the auditorium leading down a few steps.

The gymnasium is behind the auditorium and is really a part of the stage. There are several ways to get to it, but the east and west entrances are most commonly used. These doors are directly at the end of the hall from the east and west entrances into the building. In these halls the doors on the south wall, directly before entering the gym, will lead one into the gym dressing rooms. The girls' dressing room is on the east side of the school, and the boys' dressing room is located on the west side. There are doors from the dressing rooms directly into the gym.

The library is on the second floor, parallel with the balcony of the auditorium. It consists of the main study hall where the books are kept, the librarian's office, the visual education office, the occupational and vocational information room, and a small study room.

The Trireme powder room for girls is located on the first floor on the East side of the building.

The girls' rest rooms are located on the south ends of the East halls on both first and second floors. The boys' rest rooms are located on the south ends of the West halls on both first and second floors.

All of these directions may seem very confusing, but just remember that Hickman faces north. If, however, it's too much for any new student to figure out, don't hesitate to ask any other students or the teachers for they will be glad to help the newcomer.

THE LIBRARY

The library, which is located on the second floor, is used to provide a place for study, furnish materials for courses, and obtain books and magazines for recreational reading. If one is to get the most out of his study hall period an attitude of cooperation and good manners is required of him and every other student.

STUDY HELPS

The following suggestions, if carefully followed, will help you get the most out of your studies.

- 1. Make out a definite daily program, arranging a definite time for each study.
- 2. Provide yourself with the material the lesson requires.
- 3. Understand the assignment. Learn to take notes and know accurately any reference given by the teacher.
- 4. Learn to use your textbook and know the use of each part of it, such as, the index, appendix, footnotes, etc.
- 5. Learn to concentrate on your work and waste no time because of lack of application.
- 6. On reading assignments skim over the material the first time, and then pick out the details in the second reading. On work assignments do the work first and then check for errors.

- 7. Do individual study. Learn to form your own judgments and to work your own problems.
- 8. Try to put the facts you are learning into practical use if possible. Apply them to present day conditions.
- 9. Take an interest in the subjects taught in school.
- 10. Review your lessons frequently. Use those three or four minutes before class convenes to refresh your mind on things learned in the past few days.
 - 11. Frepare each lesson every day.
- 12. Learn to memorize the quickest and easiest way. In learning forms, rules, vocabularies, etc., it will be a help to repeat them aloud.
 - 13. Study regularly and avoid cramming.
- 14. Ask questions in class and after class. Use notebooks constantly.
- 15. Study in a quiet place, without radio, record player, people talking or other disturbance.
 - 16. Use and understand a dictionary.

THE GUIDANCE DEPARTMENT

Dear Students,

Hickman High School provides a Guidance Department for your benefit. The most important function of this department is student counseling. You are encouraged to visit the counselor through your own initiative, although you may come on the advice of a teacher, the principal, or in some instances you may be called in by the counselor. Your parents too, are cordially invited to consult the counselor, concerning your school work, at any time.

The Guidance Department is not a part of the Administration Office or the Attendance Office; it is the place where you may seek assistance concerning a variety of different things. It is a place where you will find a counselor interested in, and willing to help you, in any way he can.

The counselor has your permanent record folder which contains all your grades from the time you enrolled in the Columbia Public Schools, or from the ninth grade, if you started to school elsewhere. The counselor will be glad to show them to you along with your test scores, interest profile, and any other information that might help in your future planning.

The following are some of the questions with which you may receive assistance from the Guidance Department:

1. Have you ever wanted additional information and help in choosing the best course for next semester and the remainder of your high school program?

2. Have you ever wanted information and help in selecting a vocation?

3. Have you ever wanted help in those subjects with which you were having the most trouble?

4. Have you ever wanted information and help in learning more about your own abilities, interests, intelligence, personality, and achievement?

5. Have you ever wanted help in deciding whether to continue in your high school studies?

6. Have you ever wanted additional information or help in learning how to be an even better reader than you were at that time?

7. Have you ever wanted information and help in learning how to get along better with others?

8. Have you ever wanted information or help in selecting extra-curricular activities which would be best for you?

9. Have you ever wanted information or help in learning how to make new friends?

10. Have you ever wanted information or help in developing new hobbies or recreational interests?

11. Have you ever wanted information or help in finding out how you can be healthier?

12. Have you ever wanted information or help in

deciding whether or not you should plan to go to college, which college to attend, or what you should study in college?

You may receive help with these and may other questions in the Guidance Department. Feel free to come in at any time to make an appointment.

Sincerely,

DELBERT E. DUNKIN

Director of Guidance

SCHOOL ORGANIZATION

DAILY BULLETIN

Each morning a mimeographed bulletin is issued to every first period class. Students should listen closely to the announcements of meetings, activities, and other things of interest to them. Material for the bulletin must be turned into the East Office by the last period of the preceding day.

FIRST AID

Students who wish first aid should report to the West Office or to their gym teacher.

LOST AND FOUND

Lost and found articles are kept in the West Office, and students losing or finding articles should report them there.

STUDENT TELEPHONE

Students are asked to use the telephone in the West Office. Calls should be brief

ACTIVITY CALENDAR

The activity calendar is posted in the East Office in order to eliminate conflicts. All school activities should be listed on it. All activities should be scheduled as early as possible.

PARKING REGULATIONS

Entrance to the front drive will be at the East side only. All cars must be parked on the North side of the drive or in the parking lot in the back. Park cars in an orderly fashion so that a minimum of space is used. Be sure to leave a passageway so that no car is blocked in.

CAFETERIA

For each day a well-balanced meal is planned by the dietician of the Columbia Public Schools. The cafeteria is for the convenience of all students whether they buy the school meal or bring their own. A snack bar that sells sandwiches, donuts, ice cream, etc., is located in the northeast corner of the cafeteria.

HOME ROOMS

At the beginning of each year, the individual student is asigned to a home room. These rooms each have a teacher-sponsor and are organized with an election of officers. Meetings of the home room are called by the East Office.

FILES

All records, activity cards, and enrollment cards are filed in the West Office. The only time these files are available to students is in a conference with the counselor or a teacher. Schedule cards are in both the East and West Offices. By obtaining a pass slip and showing it to the secretaries of the East or West Offices, a student may be given another student's schedule.

LOCKERS

General lockers with combination locks are obtained in the West Office by depositing one dollar. When the lock is returned at the end of each year, seventy-five cents is refunded. If one desires to keep the same lock for his three years at Hickman, he may leave the dollar in the West Office without obtaining the refund.

LOCKER LOCATIONS

TUITION FEES

Students not residing in the Columbia school district must pay a tuition fee which is payable by semesters. If the residence of the parents is within a district which does not maintain a high school, the payments are made by the home district and the State of Missouri.

FEES

Fees may be levied in class according to Missouri State Law. In some classes the fees are used to buy needed text books, thus saving the student the cost of buying text books individually. In other classes this fee is used to buy supplementary materials, such as: maps, motion pictures, paper, supplies, etc.

HEALTH PROGRAM

A physician, dentist, and nurse are employed by the Board of Education. They examine all new students and athletic participants.

Insurance is also provided all students at a reasonable rate. It protects the student while he is

in school, going to and from school, and in school-sponsored activities.

INTERNAL ACCOUNTANT

A member of the teaching staff serves as activity treasurer and accountant for the school. All funds, fees, or other money must be deposited with this accountant. Checks wil be written when a requisition is properly filled out and presented.

SCHOOL DANCES

School dances may beheld in the gymnasium or the cafeteria and must be over by 11:30 p.m.

Any club or organization that wishes to sponsor a dance must first secure a dance permit from the East Office and the student council. This permit must be filled out and filed with the Principal three days prior to the dance.

NORMAL PUPIL LOAD

Most students find a course of 4½ credits satisfactory. Only students in the upper fourth of their class may take five credits. Students who intend to go to college are advised to complete 15 units in the academic subjects. Subjects such as music, band, physical education, typing, etc., are not advised as college preparatory; and, therefore, should be taken as additional subjects.

REQUIREMENTS FOR GRADUATION

Before entering Hickman High School, it is assumed that 4¼ credis will have been completed and that 12¾ credits must have been completed in Hickman for graduation. A student must have the required number of credits in the following courses for graduation from a first class Missouri high school:

| Health | 1/2 | unit |
|--------|---------|------|
| | 100 | |

| Mathematics | 1 unit |
|--|-----------|
| Science | 1 unit |
| Practical Art | 1 unit |
| Social Studies | |
| American History (Includes passing state | |
| and U. S. Constitution tests | _l unit |
| English—(9, 10, 11) | 3 units |
| Fine Arts | 1 unit |
| Physical Education | 1 unit |
| Number required | 11½ units |
| Electives | |
| | |

Total required for Graduation _____ 17 units

All colleges and universities require 15 academic units for entrance. Students planning to go to college should check these requirements to be sure they have enough credits (and the right ones). Some fields in college require a foreign language; in such case, a student is advised to start this study in high school. Students planning to attend a college are expected to maintain at least an M average while in high shoool.

Many state colleges and universities have different entrance requirements, such as the foreign language requirement. For more detailed information, students are advised to write for the catalog of the specific school or see the guidance director.

ATTENDANCE OFFICE

Students who have been absent or tardy must report to the West Office for an entrance permit. A written, dated excuse must be brought from the parents or guardians of the absentee. The student will then be given a white excused absence permit which should be taken to every class from which he was absent to be signed by that teacher. Students should not call parents for the purpose of obtaining an excuse. If the student does not have a proper ex-

cuse, he will be given a blue slip until the reason for the absence can be obtained by the Attendance Secretary from the parents or guardians. The student is given three days to redeem this blue slip. All excuses from the home must state the reason for the absence. Any student who expects to leave school before the scheduled time must bring a written excuse from his parents stating the reason for leaving. These excuses must be aproved by the Principal or Vice Principal.

PASS SLIPS

In order for a student to pass from one class to another during class time, he must obtain a pass slip from the teacher of the class he is leaving. These slips, when filled out, indicate the point of departure, destination, time departed, time arrived, and the reason for the departure.

MARKING SYSTEMS

Grades used on all reports, tests, records, etc., appear as letters. The following is an interpretation of the meaning of these letters:

| E-Excellent | I—Inferior |
|-------------|------------|
| S-Superior | F—Failure |
| M-Average | D—Delayed |

Pluses and minuses will be given. For the purpose of ranking students for honors, awards, etc., the following point system will be followed:

| E+=12 | S + = 9 | M+=6 | I + = 3 | F = -5 |
|--------|---------|---------|---------|--------|
| E =11 | S = 8 | M = 5 | I = 2 | |
| E = 10 | S - = 7 | M - = 4 | 1-=1 | |

FINAL EXAMINATIONS

All students will be required to take a semester examination in every class where such an examination is given.

STUDENT COUNCIL

The Student Council of Hickman High School is an organization that furthers student self-government and helps solve any problems that may arise among the students. The council serves as a guiding board and the sponsor of many activities such as the Christmas baskets and their delivery, homecoming, the sale of programs at football games, publication of the handbook, and any other project for the betterment of Hickman.

Homerooms elect one person a semester to serve on the council, and each class elects a representativeat-large, who is on the council for the entire school year.

The student body president then divides the council members into committees to work on the main council projects, some of which are: Social, Visitation, Building and Campus, Project, Fublicity, Maintenance, Charter, and Noon Activity. The chairman of the assembly committee is the vice-president, and he is aided by the Assistant Principal. Usually the Principal is the advisor of the council.

After every council meeting, the council representatives give a report at the next home room meeting. These reports help to bring all of the news to every student, thus increasing his interest in Hickman and its activities.

All meetings are called by the president and are held in the council room which is on the first floor at the end of the main east corridor. The room was created by the 1945-46 student council. The council of the year 1948-49 gave to the room six tables. Chairs

to match the tables were donated by various clubs and organizations. The maintenance committee keeps the room orderly and neat. On the west wall of the room are pictures of past Student Council presidents.

The council room is open to people working on council projects or those who wish to study for a short time.

Hickman is one of the few schools in Missouri that has such an active student council and special room for the council meeting. We may very well be proud of our student council.

STUDENT COUNCIL CONSTITUTION

ARTICLE I

Section 1.

This organization shall be known as the Hickman High School Student Council.

Section 2.

There shall be two regular meetings of the Council each month on alternate weeks but additional meetings may be called at any time by the president.

ARTICLE II

Section 1.

This Council will consist of one representative elected from each home room in the High School and a representative at large from each of the Sophomore, Junior, and Senior classes, and a faculty adviser who shall be the principal of the school or such as he may designate.

Section 2.

The members elected to the Student Council shall be known as the Student Council Representatives and shall hold no other office in the home room.

Section 3.

Any members of the High School shall be eligible to represent his home room. First semester council members shall be elected by the beginning of the second week of the fall

semester. Second semester councilmen shall be elected by the end of the sixteenth week in order to allow for one joint session. Representatives shall be elected to the Student Council according to the following plan:

- (a) Each student of the home room will write the name of the person he wants to represent his room.
- (b) When the votes are counted all will dropped except the three highest.

(a) To perform the duties that usually devolve upon secretaries unless otherwise ordered by the constitution of the Student Council.

Section 7.

The duties of the secretary shall be those that usually devolve upon that office.

Section 8.

When there is a vacancy to be filled for cheer leader each year, candidates desiring to do so will try out in assembly. The student body will then vote for the person or persons they believe will best qualify for the position. The number of candidates required will then fill the vacancies.

ARTCLE IV

Section 1.

The order of business of meetings shall be that commonly used by similar organizations when conducting similar meetings according to "Roberts Rules of Order," unless otherwise ordered by the constitution and by-laws of the Student Council.

Section 2.

Meetings shall be open to visitors from the school except during meetings declared as closed sessions by the chairman.

ARTICLE V

Section 1.

If any member of the student body of the High School draws up a petition, signed by one-third of the members of the High School, for the amendment of any part of this constitution, it shall be put to popular vote of the High School. If two-thirds of the members of the student body vote in favor of the amendment the constitution shall be amended.

Section 2.

- (a) Any member of the Council may resign his membership at any time.
- (b) Any member may be directed to hand in his resignation by two-thirds majority vote of the Student Council.

Section 3.

Section 1.

If any vacancy occurs in the representation of the home room of the Student Cuncil, the vacancy must be filled immediately.

ARTICLE VI

The power of this body shall be:

(a) To decide on questions pertaining to the general activities of the High School.

(b) To grant charters to clubs in High School.

- (c) To make laws necessary for the general good of the school.
- (d) To investigate and report on questions referred to it by the director of the school for decision or counsel.
- (e) To declare any charter of any club null and void if:
 - (1) It does not meet its obligations.
 - (2) It does not live up to its charter.
 - (3) It interferes with more important organizations of the school.

Section 2.

The purpose of this organization shall be:

- (a) To foster a wholesome school spirit.
- (b) To encourage loyalty to our school, Hickman High.
- (c) To inculcate and foster ideals and traditions.
- (d) To further the spirit of unity and cooperation among the students and faculty of Hickman High.
- (e) To provide for the promotion, correlation and supervision of student activities.

Section 3.

The power of the principal of the High School over the Student Council shall be:

- (a) To veto any decision made by the Student Council, after an explanation to the Council.
- (b) To decide on all questions not provided for by the constitution of the Council.
- (c) To act as final authority as to the meaning of any part of this constitution.

AMERICAN JUNIOR RED CROSS

The American Junior Red Cross Council is composed of one representative from each home room. The purpose of this council is to assist the American Red Cross in any of its projects.

The members of this organization collect money for the Junior Red Cross to be used for national and local projects, collect the articles and fill Christmas packages for children in foreign lands, and encourage donors for the blood bank.

This organization promotes a feeling of friendliness and co-operation between this country and other countries.

D. O. CLUB

The D. O. Club, founded in 1952-53, is composed of all students enrolled in the Diversified Occupations program. In order to provide the D. O. students with recreation during their non-working hours, club activities take place in the evening. The annual employer-employee banquet in the spring is the highlight of the club's activities. The club also sponsors a basketball team that competes with D. O. teams in neighboring cities and with local groups.

HOMECOMING DAY

One of Hickman's most outstanding traditions is that of Homecoming. This tradition was first started in 1937-38. It is a big day at Hickman that starts with an assembly following second period. The assembly is an original skit written by Mrs. Williams and given by her speech classes. The skit is a humorous portrayal of the wonderful game that night. The Homecoming queen is crowned during the as-

sembly and reigns for the rest of the day. School is dismissed after the assembly so that the floats of the home rooms and clubs may be finished. The parade starts at 2:00 P.M. and prizes are given to the floats that excell in originality, neatness, and attractiveness. The big part of the celebration is the game. There the queen is crowned again by the captain of the football team amid an elaborate half-time coronation ceremony presented by the band and Pep Squad. After the game a big dance is held in the gymnasium until the midnight show. The midnight show is free if the football team wins the game. All in all, it is a wonderful day, and one that stays in the minds of all who witness it.

AWARDS ASSEMBLY

The outstanding students and citizens of Hickman High School are given recognition at the annual Awards Assembly held in May. Each department and many town organizations present awards to outstanding students during this assembly.

NATIONAL HONOR SOCIETY

The National Honor Society is a national organization whose members are high school students that excell in scholarship, leadership, character, and service. The Honor Society had its beginning in Pittsburgh, Pennsylvania, in 1923. The Hickman High School chapter was started that same year.

Fifteen per cent of the Senior class may become members with five per cent chosen each of the last three semesters the class is in school. Both faculty and present members vote to decide on the new members. The final decision is made by the faculty committee and the principal. The members chosen in the fall semester are honored with a tea. In the spring there is a tap assembly where the society members go into the student body to tap new members. This group then has a banquet where the next year's officers are elected.

TRIREME-TRISHIP

Trireme was founded in 1939 by Mrs. Helen D. Williams and Mrs. Fred Dixon. The purpose of Trireme is to give service to the school, and especially to serve the girls of Hickman.

Trireme is made up of twelve senior girls who are elected at the close of their junior year by the girls of their class and the retiring members of the

organization.

Trireme upholds and promotes service, standards, and sociability. It encourages good scholarship, high ideals, and leadership among the girls of Hickman.

In 1946 Trireme expanded to include all of the girls of the school. The new organization was named Triship, and each of the twelve Trireme members was appointed chairman of a Triship committee.

During the year, Triship sponsors several all-girl assemblies, a "Sadie Hawkins" dance, and the Ideals Assembly. In the latter, nine girls are elected by Triship as the girls most representative of cheerfulness, dependability, service, health, sociability, leadership, neatness, loyalty, and courtesy. These girls are recognized as the ideals girls and awarded a keepsake gift.

GOLDEN QUILL

Golden Quill is a creative writing club, whose members are elected each year by the active mem-

bers of the club. The membership cannot exceed twenty-one.

Meetings are usually held every other week, at the home of one of the members. The host chooses a writing assignment which is read at the next meeting. The best writings are collected, printed and given to each of the members at the club's annual spring picnic.

F. H. A.

Hickman's Future Homemakers of America Club is affiliated with the Home Economics Association and the American Home Economics Association. Each year many members attend the annual meeting of the Missouri Home Economics Association. Members may wear the national club pin if they have done enough homemaking projects to receive a degree. For each additional degree a key will be attached to the pin.

20-S CLUB

This club is composed of a group of secretarial practice students and is sponsored by their teacher. Meetings are held during the regular class period. The club has several parties for its members such as a weiner roast, bunking party, and a tea for beginning shorthand students.

Each year the club chooses the "Ideal Secretary"

from its members.

MAY FETE

The May Fete program is presented by the physical education department and the music department of Hickman High School. It may be held on the football field or in the auditorium, depending upon

the weather. A queen and eight attendants are elected to reign during the Fete. For them a program of folk dancing, square dancing, calisthenics, tumbling, precision drills, May pole dancing, band music, chorus music, ensembles, or orchestra music is presented.

"C" CLUB

"C" Club is composed of boys who have lettered in one or more of the major sports (football, basketball or track at Hickman High School. The purpose of the club is to further interest in all sports. This club has high standards of sportsmanship as its goal. Sponsors of the club are the coaches of the major sports.

LEADERS CLUB

Leaders Club is composed of twenty-four senior girls who assist the Physical Education teacher in the direction of girl's intra-mural activities, and in classroom activities in the gym. The girls are entitled to wear white shorts and shirts and an emblem which signifies them as leaders in physical education. New members are elected in the spring by the retiring members.

LIBRARY CLUB

The Library Club is one of the most outstanding service organizations of the school. It was founded in 1934. Membership is limited to student assistants in the library.

To render service, to assist in educational projects, and to promote friendliness is the purpose of the club. Meetings are primarily social in character.

The honorary mathematics club is known as the Blue Triangle. To become a member, only a student having an S average in mathematical courses may be voted into the club. Blue Triangle is one of the outstanding clubs at Hickman. It sponsors the annual St. Pat's Assembly and dance crowning its queen and honoring her with the only all-school formal dance of the year. Also, during the assembly awards are given to the most outstanding students in the four R's: "Readin', 'Ritin', 'Rithmetic', and "Radiance."

KEY CLUB

The Hickman High School Key Club is a service organization sponsored by the Columbia Kiwanis Club. Its members, approved by the administration, are expected to have the characteristics of leadership, initiative, dependability, scholarship, and citizenship. The purpose of the Key Club is to render service to the high school and to promote harmonious relations between students and faculty and stronger tie with the community.

The Key Club sponsors several worthwhile school projects and assist with a number of community projects. Perhaps their major project for the school is to publish a directory of faculty and students each year. These directories are distributed free of charge.

G. A. A.

G. A. A. is one of the most recent organizations of Hickman High School. It was started in 1943 and has grown each year in its membership and activities.

The club is open to any girl who is interested in playing games in tournaments after school.

The purpose of G. A. A. is to provide an opportunity for participation in all sports and recreational activities. The club was also established to promote the ideals of good sportsmanship and leadership.

Managers of the different sports may be from any class and are elected from the club roster. The sports in which the girls participate during the year are as follows: field hockey, volley ball, basketball, aerial tennis, bowling, table tennis, archery, darts, softball, and tennis.

The girls who take part in any or all of the games during the year are given points. Then at the annual G. A. A. Banquet in the spring varying awards are given for total points earned. The points necessary for these awards and the awards are as follows:

Blanket—3,000 points Letters—2,000 points Pins—1,500 points

The coming year's officers are also announced at this banquet.

THE PURPLE AND GOLD

The Purple and Gold, our school newspaper, published bi-weekly by the Journalism class, offers a good basic understanding of the problems involved in newspaper work.

The editors are elected by the "J" class members. They and their staff, with the aid of the sponsor, have the job of assembling material for the paper.

The Purple and Gold staff contributes most of the material which includes a variety of news, editorials, humor, sports, feature stories, poetry, and gossip. Ads are sold to help finance the paper, and also subscriptions are sold to students and teachers.

The Honorary Music Society is composed of students whose interests lie in furthering music and its appreciation in Hickman High School. The society provides opportunities for students to perform and further develop their knowledge of music.

Members of the Honorary Music Society must be participating in a music class at Hickman at the time of their election, show an outstanding interest in music, demonstrate proficiency in some field of music, and be approved by two-thirds of the active members of the society.

RIFLE CLUB

Membership in the Rifle Club is as follows: Each member must have a .22 caliber rifle equipped with peep sights. Any boy in Hickman may belong to the club if he has the preceding qualification. Both indoor and outdoor ranges are used. Some outdoor range work is done on Saturday mornings. Each club member will receive instructions in the care, operation, and firing of the .22 caliber rifle.

FRENCH CLUB

The French Club was re-established in 1952 after several years of inactivity. Any student who has had French or is at the present taking French is welcome to join the Club. The purpose of the club is to further promote the interest of the French people and their language.

F. F. A.

The Future Farmers of America is a national organization of boys who have a definite interest

in becoming farmers. To gain membership in F. F. A., one must be enrolled in Vocational Agriculture. There are six F. F. A. degrees that a member may receive. They are as follows: The green band degree, the Chapter Farmer degree, State Farmer, American Farmer degree, State Star Farmer, and American Star Farmer. In order to obtain these degees, one must meet certain qualifications and requirements.

The purpose of F. F. A. is to develop leadership, to participate in parliamentary procedure and public speaking contests, and the ability to be thrifty. It also strives to produce better farmers and better

men for tomorrow.

PEP SQUAD

The Pep Squad of Hickman High School is one of the most serviceable clubs in school. Any girl in school is eligible for membership. A uniform is worn on any day and night there is a football or basketball game. Pep Squad uses a demerit system. Demerits are given for not wearing the uniform and not being present at a home game without a legitimate excuse. After receiving six demerits, a girl's name is removed from the membership list.

Students and faculty enjoy Pep Squad Assembly and find it very amusing and interesting. It is written, directed, and performed by Pep Squad members

with the help of their sponsors.

One of the main events at Hickman is the annual Pep Squad chili supper. It is given in honor of all lettermen and coaches. That night ten awards are given to outstanding Pep Squad members, and the new officers for the coming year are announced.

THE CRESSET

Hickman's yearbook, the Cresset, is the pride of every student. It is in this book that one can recall friends, teachers, memorable events, outstanding athletic teams, and the work and fun that go into making Hickman the best high school in the state.

The Publications class, composed of eighteen seniors, works diligently to make the yearbook the

most interesting and versatile possible.

Milton in "Paradise Lost" wrote these lines: "Pendant by subtle music, many a row of starry lamps and blazing Cressets, fed with naptha and asphaltus yielded light." As Milton used it, the word Cresset means "torch." And as a torch yields light, so each page of the Cresset is meant to shed light upon some episode in our school year.

CHRISTMAS PAGEANT

The Christmas pageant is presented each year by the Speech department and sponsored by the Student Council. The pageant traditionally has the same stage setting and many parts of the pageant are traditional. The blue veil procession of senior girls, the poem "A Christmas Carol", and the singing of "O Holy Night" are highlights of the program each year. At the end of the pageant each home room carries the basket of food they have filled for needy families.

FRANKLIN CLUB

The Franklin Club is an honorary history club which was founded by Mrs. Helen D. Williams during the school year of 1930-31.

Members are required to have a superior grade in

their social study classes. The main purpose of the club is to promote high scholarship in history,

leadership, and citizenship.

Each year the Franklin Club sponsors a banquet in the spring. To this banquet the newly elected members are invited. Monthly the club holds meetings at which members or guest speakers discuss world affairs and civic problems.

VERSE CHOIR

Verse Choir is one of the largest organizations in Hickman High School. This nationally known organization was founded in 1935 by Mrs. Helen D. Williams.

Members are chosen on the basis of their class work in speech and after giving an example of their speech work during the regular tryouts. Good interpretation as well as enunciation and voice control

is stressed.

Besides being responsible for the traditional Homecoming Assembly, Christmas Assembly, and the Commencement program, the choir presents programs for local organizations and usually gives at least one out-of-town program.

Membership in this group offers the students a chance for more speaking confidence and a variety

of new experiences.

HICKMAN'S ROYALTY

Hickman's royalty includes a Homecoming queen, St. Pat's queen, May queen, Junior Jamboree queen, and a Sadie Hawkins' king. The Homecoming queen is a senior girl chosen by the football squad to reign over all of the Homecoming festivities. St. Patrick's queen is a senior member of the Blue Triangle Club

chosen by that club to hold court over the St. Pat's Assembly and dance. The May queen is also a senior girl chosen by the entire student body to lead the activities of the May Fete. The juniors choose a king and queen to preside over the Junior Jamboree activities. Sadie Hawkins' king is chosen by the Triship girls to reign over the Sadie Hawkins' Dance.

MUSIC DEPARTMENT

The Music Department at Hickman has as its main organizations: the band, the orchestra, and the chorus. Many small ensembles are selected from these three organizations. The choir is selected from the chorus classes and performs for many occasions at school and for community organizations. The band performs as a marching unit at all football games and plays an important part in the ritual opening each assembly. Several concerts are given each year by the band and the choir, as well as singing at the Christmas pageant, May Fete and P. T. A.

Two outstanding events each year are the music festivals held for band and chorus. These festivals include the schools of Fulton, Moberly, Columbia, and Mexico. Each festival lasts for one day, with a concert given in the evening for any interested persons. The conductors for these occasions are some outstanding persons in the field of band music and chorus music.

The music department offers an opportunity for students to become acquainted with a wide variety of music from the masters to present-day composers, to perform as soloists, to enter into group participation, and to gain a wide variety of experiences among fellow musicians.

P. T. A.

The Parent Teachers Association is a national organization for parents and teachers. Hickman High School has an active association that functions for better cooperation and understanding between the home and the school.

Officers are elected that plan a series of monthly meetings to educate parents and teachers, to entertain, and to inform.

The chief project of the P. T. A. is the refreshment stand on the football field. During football games, refreshments may be purchased at the stand. Proceeds from these sales are used for some school project, such as: spotlights for the auditorium, encyclopedias for the library, and curtains for the auditorium.

MUSIC BOOSTERS

This organization works in conjunction with the music department to further interest in music and to promote music programs at Hickman High School. Any parent or person interested in young people and music may become a member. The chief project of the year is Amateur Night that gives a chance for students to perform in competition for prizes. Admission is charged and the profits are used to encourage more young people to participate in music.

NATIONAL ART HONOR SOCIETY

To those students interested in art, this organization is the height of their work. Membership is limited to those ranking exceptionally high in their

art. Meetings are held and officers are elected to promote art and art appreciation among the members and the student body.

QUILL AND SCROLL

Quill and Scroll is an honorary organization in the journalism field. Membership is limited to those who can fulfill the national qualifications for membership. To wear the Quill and Scroll is to show others that that student is outstanding in journalism. Students, at the time of election to membership, must be in the Journalism or Publications classes.

CHARDS HONORS

PEP SQUAD AND G. A. A. AWARDS

G. A. A. Awards are given on a point system. Girls participate in the various sports throughout the year, and receive one hundred points for each tournament if they take part in every game of the tournament. Pep Squad gives ten awards to the ten girls who have shown and given outstanding service to the Pep Squad during the entire year.

ALTRUSA CLUB AWARD

A cash award is given on Awards Day by the Altrusa Club to the girl who ranks highest in citizenship. The award is made in honor of a former principal of Hickman High School, and a member of the Altrusa Club, Miss Sadie Stean.

KIWANIS CITIZENSHIP AWARD

Each year at the Commencement exercises the Kiwanis Club gives an award to the senior girl and boy who have excelled in citizenship.

CLEVA COLE ESSAY CONTEST

Each year a delegated number of boys and girls from the senior class write essays on a topic of general literary interest. The boy and girl who write the best essays are given a cash award on the night of Commencement.

The award was first made in 1928 when friends and former students of Miss Frances Cleva Cole, an English teacher in Columbia High School, established a fund in honor of her long and faithful service to the school. The interest on the principle is awarded to the senior boy and girl who rank highest in the competitive essay contest.

D. A. R. CITIZENSHIP AWARD

Each year a senior girl is chosen to represent Hickman High School in the Daughters of the American Revolution award. The faculty nominates three girls that in turn are voted on by the senior class. The girl is chosen on the basis of dependability, service, leadership, and patriotism. She then competes in the state contest with girls representing other high schools. They take a standardized history test with a one hundred dollar United States Saving Bond as the prize.

The name of the local winner at Hickman is engraved on a plaque that is hung in the East Office. She also is given a pin by the local organization.

LINDSEY AWARD

The Lindsey Jewelry Store awards a wristwatch to the highest ranking student(s) of the graduating class. The basis for this award is the four-year grade record of the student.

DEPARTMENTAL AWARDS

At the annual Awards Day assembly each department gives a award to its outstanding student. The awards may be either money or tokens of the student's achievement.

TYPING AWARD

A twenty-five dollar United States Savings Bond is awarded to the outstanding typist by the Central Office Equipment Company. This award is made on Awards Day in May.

SCHOOL LETTERS

Letters are awarded to the students who are outstanding in school athletics. They are given in the sports of football, basketball, golf, track, and tennis. The presentation of the football letters is made at the annual football assembly while the other letters are awarded at the end of the year.

STUDENT COUNCIL AWARDS

The Student Council sponsors two awards each year that are presented to the boy and girl who have given outstanding service to the Student Council and to the school. The award is a cash prize of five dollars and a pin.

DON BYERS MEMORIAL AWARD

The Don Byers Memorial Award was created in the school year of 1951-52 in memory of Don Byers who was president of the Key Club and an outstanding member of the graduating class of 1951-52. The award is made each year to the senior boy who has excelled in leadership and service during the past academic year. His name is attached to the plaque in the East Office.

BAUSCH LOMB AWARD

This award is given to the outstanding student in science. Standards indicate that the student has made exceptionally high grades in biology, chemistry and physics.

JOE E. BARNES AWARD

Created in 1952, this award is made to the outstanding athlete at Hickman High School. It was named in honor of Joe E. Barnes, Jr., a former Kewpie athlete who was killed in World War II.

SOPHOMORE TRADITIONS

In 1947 the most well-known of all sophomore traditions was started. Henceforth all sophomores, upon entering Hickman High School for the first time, would be compelled to wear green and white beanies until the last football game. On the night of the final game they burn their beanies in an impressive ceremony, symbolizing their final acceptance as true Kewpies of Hickman.

Another tradition enjoyed by all sophomores is serving the school by whitewashing the rocks surrounding the front drive. This is done in the fall and the spring of the year. Money is earned by the class by picking up trash after each football game. This money is used by the class to present their assembly. This is the biggest occasion for the sophomores for it is during this assembly that the most popular boy and girl and the most versatile boy and girl are honored. The assembly usually occurs in February and consequently a Valentine theme is carried out. That night there is a sophomore dance.

The final tradition each year for the sophomores is a big class picnic near the end of the school year.

JUNIOR TRADITIONS

The most important junior tradition is the Junior Jamboree which is given by the juniors each spring in honor of the seniors. The juniors are responsible for all expenses, and every senior is invited as an honored guest. The Jamboree is a formal dance, and nothing is spared to make it as elaborate as possible. To sponsor a successful Jamboree requires a large

amount of money, so in the fall of the year the juniors go to school prepared for plenty of hard work in order to earn the capital necessary to make their Jamboree the best one ever. It has been found that the best and easiest way for collecting money is to sell magazine subscriptions. It has become a tradition to earn the money in this manner. The same day the Jamboree is held, the juniors also present an assembly in which the junior boy and girl who have been elected king and queen are honored along with their attendants. The juniors, as well as the other classes, elect their most popular girl and boy and their most versatile girl and boy.

SENIOR TRADITIONS

It is traditional for the seniors to sit in the balcony during the assemblies and neither juniors nor sophomores are allowed to sit in the balcony at that time. At the beginning of assembly, after the singing of the school song, the seniors give their yell. At the end of the year in an impressive ceremony on Awards Day, the seniors come down to the stage and the juniors take their places in the balcony ready for their role as seniors the coming year.

One of the biggest events for the whole school is the traditional senior play in which the entire cast is composed of seniors. The play is always very entertaining, and displays fine talent.

The senior dance is one of the high spots of the year for the seniors. It is a formal affair for seniors and their dates. No effort is spared in providing beautiful decorations and good music.

Though a number of clubs give banquets for their members at the end of the year, one banquet is anxiously looked forward to by every member of the graduating class—the senior banquet. Since there are so many students who attend this banquet it can only be held in a large dining hall, usually one of the hotels. Funds from the class treasury, built up by the senior play, pay for the entire banquet.

After the banquet, the senior edition of the Tribune is passed out to each student. This paper is devoted entirely to Hickman seniors and is written and arranged by the English IV classes and the Journalism class.

Baccalaureate services are held each year during the Commencement season at the Missouri Methodist Church. A local minister delivers the sermon. The seniors attend this service in cap and gown and march in and out of the section reserved for them. Music for the occasion is furnished by the music department.

Final Commencement exercises are held on the Thursday night of the last week of school. Seniors, in caps and gowns, sit on the stage of the auditorium. The program is usually an original pageant presented by members of the graduating class, with the music furnished by the music department. The principal introduces each senior who receives his diploma from a member of the school board, usually the president.

ATHLETICS

Athletics is one of the most important extra-curricular activities in Hickman, because it attracts recognition for the Kewpies, whether they participate or not. The athletic program includes physical education (a required subject except for all boys who participate on the different athletic teams) football, basketball, track, tennis, and golf for the boys, and G. A. A. for the girls. The Kewpies take great pride in their athletic records, but they will always take much more pride in their team's sportsmanship while playing the game. Sportsmanship is always first in the Kewpie's mind in sports and in the classrooms as well.

The athletic program is not only enjoyed by the participants of the sports but is also a source for enjoyment for every Kewpie who is loyal enough to attend the games. It is a place where the students and faculty can get together and give out with the old "Kewpie Spirit."

Hickman's physical education classes are designed for the fun and recreation of the student, but they also help build a strong and healthy body which is the main goal. The physical education program includes such sports as basketball, baseball, volleyball, soccer, boxing, and bombardment for the boys; basketball, field hockey, baseball, volleyball, and archery for the girls.

The following are the eligibility rules which were made by the Missouri State High School Athletic Association for its member schools:

1. He must be a good school citizen.

He must have earned credits in three subjects the preceding semester. (Passed in three halfunit subjects).

3. He must not have competed in a sport for all or

parts of four semesters.

 He must not have entered school later than the first eleven days. (Entering school is interpreted as enrolling and attending classes).

5. He must not have received an award other than given by his school for his services as an athlete in the sport in which he is competing.

6. He must not be 20 years of age or over.

 He must not have competed under an assumed name.

 He must not have transferred from another high school to this one without a corresponding change of residence by his parents.

9. He must not have graduated from a four year

high school or its equivalent.

 He must not have attended high school more than eight semesters.

 He must not have competed at any time as a member of a Junior College or Senior College team.

No school of the Association may compete in athletic contests with any school of secondary rank that is not a member of the Association or like Association, or with a school that is suspended from the Association.

The fine Kewpie spirit comes in part from the many school yells and songs that enable us to express our feeling for Hickman. These songs and yells should be learned by every Kewpie.
