

Hello Classmate,

This is your second letter regarding our 40th Class Reunion, October 9-12, 2003. I hope you are planning to attend, but I would sincerely appreciate your quick response to this letter. If I have already heard from you please remind me again whether or not you plan to attend.

I know planning something this far in advance can be tough, however I do need the follow from you:

1: Please let me know right away by phone, email or letter **whether or not you plan to attend.** I will need your check by no later than June 1st as I will become responsible for the entire bill as of that date.

2: Send me your BIOGRAPHY and a picture of you or you and your family as soon as you can

BIOs and pictures of everyone in the class are needed in order for the "Class of 1963 Virtual Directory" to be complete. The directory will be accessible on our webpage and available on CD after the reunion. The CD will include music from high school days and reunion pictures.

If you aren't planning to attend as of right now, I hope you will change your plans or your mind and join us.

Again I have included the reunion calendar of all events and the cost of each. **Please complete the enclosed registration form and return it with your remittance.** I need an accurate count of which events; including those without a cost, that you plan to attend and how many. All events are for you and your spouse, significant other or guest. You may bring your children or your parents to the picnic on Saturday afternoon, and you should include their name and fee with your remittance.
