December 12

CGC Flower Show “Holiday Treats”

December 14, noon

Holiday Tea

**Note: The meeting will take place at Trinity Presbyterian church, 1600 West Rollins Road, Columbia, Mo. Guests welcome!**

## **We meet again — September 14, 2009!**

The September meeting is always a treat! We meet and share a beautiful luncheon. Please bring your favorite dish. Drinks and table service will be provided.

Immediately after lunch, we will have election of officers and committee chairpersons may share project progress.

Marie Crenshaw has ask that members who have flowers in bloom bring bouquets for the tables as she will use these for her inspiration. Be as creative as you like as long as we can see each other across the table!

We will have a display of terrariums and dish gardens, in preparation for our flower show in December.

Please bring plants and seeds from your 2009 gardens to share.

Dues envelopes are included in mailed copies of the newsletter. Dues have increased to National by \$5.00 and therefore, have increased to \$20.00 per member for each of us. If you receive your newsletter by e-mail, there will be envelopes available for you at the meeting. Please make sure you include complete information to include your e-mail address so that we have current contact information. You may make up your own envelope and include pertinent information on the front.

This is great time to bring an interested friend!

### **"Harvest in the Heartland"**

**Federated Garden Clubs of Missouri Central District Fall Meeting**

**Hosted by: Ashland Garden Club**

**September 24, 2009**

**Ashland Baptist Church**

**Please bring your check made payable to Columbia Garden club to the September meeting to meet the deadline.**

**CGC Flower Show**  
**December 12, 2010**  
**Columbia Public Library :**

**“HOLIDAY TREATS”**

**Since this will be a special show with limited plants in bloom, interesting classes are included in the show schedule. For example, you may decide to enter a holiday wreath in the Design division. In Horticulture , Division II , Section E , Container Grown Plants, “must have been in the exhibitor’s possession at least for 90 days” and in Section F, you might want to enter a combination planting; either a terrarium, dish garden or a combination planter. These entries “Must have been growing together and in exhibitor’s possession for at least six weeks prior to exhibiting.”**

**You should be deciding now what you will enter in the show so that you can have it planned out and planted to meet the requirements of the show schedule.**

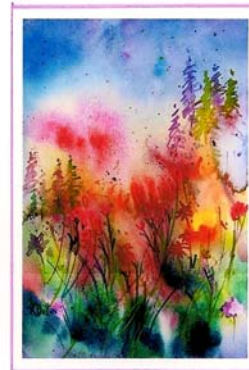

**We should have a beautiful show as it will include holiday entries that may be more “glitzy “ than we usually see in a show. What fun! We’ll talk more at the September meeting!**

**CENTRALIA FLOWER AND GARDEN CLUB**

**PRESENTS**

## AUGUST YARDS OF THE MONTH

Art Schneider and Al Lackey admire the pretty daylilies provided by Barbara Devine for our 90th Celebration

Home of  
Chris and  
Rebecca  
Reed, 2309  
Bluff Creek  
Dr.

The Reed's yard was chosen because they are a young couple who have worked hard to learn about landscaping. Rebecca does a lot of the work herself and has done a great job. The Knockout Roses in the front yard give her landscaping great color and depth. Her foundation plants are good choices and the addition of annuals add that extra punch of color. They have plans for a water feature and are constantly working to make their yard better. They have accomplished a lot in a short time. Congratulations Chris and Rebecca!

### 90th Celebration

If you were able to attend the celebration at the Boone Historical Society on July 13th, you know what a success it was. Thank you to the co-chairmen of the committee, Jane Sadler, Marie Pasley, Carolyn Doyle and Linda Lowenberg, for their hard work. They want to thank all who helped serve the beautiful cake and punch, those who brought the beautiful flowers and to anyone else who helped in any way.

We were fortunate to have Claudia Chopp demonstrate artistic floral design over the last 90 years. I was glad to meet her as she will be one of the instructors at flower show school IV in October.

Dustin and  
Jade Parker  
with daughter  
Londyn in their  
front yard at  
809 Donnelly.

Among the flowers in the Parker's yard are cone flowers, dwarf zinnias, dwarf balloon flowers, white hydrangeas, red and white caladium, Indian blanket, autumn joy sedum and various grasses. Jade amended the soil with 12 loads of city compost and lots of topsoil from Calvin Trucking Co. Beds are round and kidney shaped and include stepping stones of tree trunk slices. They have two water features, one of bamboo tubing and the other is a black stone globed fountain. If you have not driven by this lovely yard, it is definitely worth the trip! Congratulations Dustin and Jade!

**ATTENTION...ATTENTION...ATTENTION.....ATTENTION**  
**We are looking for yards of the month for September.**  
**Call Emily or Mary Jane with recommendations!**

Thank you to these fine businesses that support us.  
Please support them to show our appreciation.
